

Photo Restoration

Every restoration project is unique, and cost is based on the amount of work required. After viewing your original image — we'll give you a cost estimate. Here are some guidelines:

BASIC: color restored...dust removed *Approx. \$15-20*

MODERATE: tear repaired (lower-right)...color restored...dust removed *Approx. \$25-35*

FULL RESTORATION: major damage repaired, dust removed, tone/contrast corrected, etc.

Starting at \$45

All prices include one print (same size) of your restored photo.

HOW TO ORDER

Every restoration project is unique, so the process begins with a conversation about your material...

If you're in the Savannah/low country area: We can meet to preview your image and provide you with a cost estimate. If you decide to have us restore it:

- We'll give you a receipt for your original print...process your image...then provide a preview copy of the finished product (in person, online or by e-mail).
- If you order prints — they'll be delivered to you in approximately 1 week.

Outside the Savannah, GA area: [CONTACT US](mailto:mediaguy@webbonline.info) first (mediaguy@webbonline.info), then:

- Make a scan your image and e-mail it for evaluation **OR**
- Mail your original image — carefully packed to avoid damage (extra insurance is recommended).
- We'll provide a cost estimate (by phone or e-mail). If you decide to have us restore it:
- We'll process your image...then provide a preview of the finished product (online or by e-mail)
- Upon approval, we'll ship back your original print...and any prints ordered.

EXTRA PRINTS OF YOUR FINISHED, DIGITALLY-RESTORED PHOTOS

High-quality, archival photographic prints — not “ink jet” computer prints

Size	# copies		
	1-4*	5-9*	10 or more*
4x6	1.00 ea	.80 ea	.60 ea
5x7	1.25 ea	1.00 ea	.80 ea
8x10	5.00 ea	4.00 ea	3.00 ea
8x12	8.00 ea	7.00 ea	5.00 ea
11x14	10.00 ea	8.00 ea	7.00 ea

* Based on # of copies of the same image

IMPORTANT NOTE: normally, photos look best when printed at approximately the same size as the original. We can make larger prints of your restored original — but some quality is always lost when they're “blown-up.”
